## Gorham Public Library.

---

The library continues well patronized and is supplying our citizens with valuable and instructive information. The demand for books is showing an improvement in the class of reading. Several of the latest and best publications, already ordered, will soon be added to the catalogue.

The shelf room, in the present quarters, is inadequate, and measures must soon be taken for furnishing additional room. A catalogue should be printed, and furnished the patrons. Both these matters require an early attention, and an additional appropriation will be necessary. Nothing less than \$300 per year should be voted for the ordinary wants of the library.

Donations of books have been made, during the year, by L. C. Jewett and Thomas Gifford.

Grateful acknowledgment is rendered to the members of the Gorham Dramatic Club for their valued and appreciated efforts in raising funds for the benefit of the library.
